

11 November 2024

Dear parent/guardian,

2025 Contributions - Year 11 & 12

Monterey Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Monterey's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

At Monterey Secondary College, the School Council and Finance Committee work together with the Principal Team and Finance Team to ensure parental contributions remain affordable for all families. These teams carefully manage all funds, directing them toward supporting student outcomes, wellbeing, and educational experiences. Parental contributions play a key role in broadening the range of subjects, offering special curriculum experiences, enhancing digital learning opportunities, and providing valuable resources that enrich both academic and wellbeing programs for our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached to this 2025 Year 11 and 12 Voluntary Financial Contributions.

Yours sincerely,

Peter Langham (Principal)

Emma Boag (School Council President)
